

Our Fundamental Strengths

Honesty, Customer focus, Team work

MISSION

Sara Aqab General Contracting is committed to providing reliable and efficient facility management services on an outsourced basis, along with safe and on-time transportation and equipment rental services. We aim to build a strong brand through employee engagement, talent development, and innovative solutions to meet our clients' growing needs.

Sara Aqab General Contracting vision is to create a world-class integrated facility management system in Saudi Arabia through continuous improvement and excellence in quality.

We believe facility management goes beyond maintaining workplaces; it creates environments where businesses thrive. We work closely with our clients to understand their needs, deliver smart solutions, and continuously enhance service quality.

About Us

Sara Aqab General Contracting is a professional facility management company providing reliable and efficient support services. With over 9 years of experience in Integrated Facility Management and Transportation Services, we bring industry expertise and operational excellence to every project.

We specialize in outsourced staffing, housekeeping, guest house management, pantry services, pest control, horticulture, and complete maintenance solutions. We also offer safe and timely transportation services along with equipment rental support.

Our focus is on delivering quality service, trained manpower, and smooth operations so our clients can focus on their core business. We are committed to creating clean, well-maintained, and productive environments for every client we serve.

Our Vision

To be a leading organization in the field of Facility Management by delivering integrated, end-to-end solutions under one roof in a cost-effective manner. We are committed to achieving the highest levels of client satisfaction through well-trained professionals, advanced technology, and state-of-the-art equipment.

Our Values

At Sara Aqab General Contracting, we are driven by a shared set of values that inspire excellence in everything we do. These principles shape our culture, guide our actions, and strengthen our commitment to those we serve.

We empower our people to grow, excel, and lead by offering continuous training, equal opportunities, and a safe, supportive work environment. By investing in our team, we build a foundation of passion, integrity, and innovation that fuels our success and the success of our clients.

We believe facility management goes beyond maintaining workplaces; it creates environments where businesses thrive. We work closely with our clients to understand their needs, deliver smart solutions, and continuously enhance service quality.

Facility Management

At Sara Aqab General Contracting, we provide comprehensive facility management services designed to keep our clients' operations running smoothly, efficiently, and without unnecessary interruptions. By serving as a single point of contact, we simplify their daily facility needs and ensure consistent support across all functions. Our solutions are crafted to be cost-effective while elevating the overall quality of service, allowing clients to focus on their core business with confidence. Once entrusted with their facilities, we work to create a more organized, seamless, and stress-free environment. With strong domain expertise, a dedicated team, and a flexible operating approach, we integrate effectively with the client's staff and processes. Through transparent communication and timely reporting, we maintain a cohesive, dependable, and long-term partnership with every client.

Facilities & Support Services

We offer a wide range of outsourced staffing and facility support services, including Guest House Management, Housekeeping, Pantry Assistance, Pest Control, and Horticulture Services. Our trained staff ensures smooth day-to-day operations and maintains a hygienic, welcoming, and productive environment.

Maintenance Services

From Periodic Maintenance to General Maintenance Contracts and high-quality Facade Cleaning, we provide reliable upkeep of assets and buildings. Our goal is to enhance the lifespan and performance of your facilities while reducing downtime and operational disruptions.

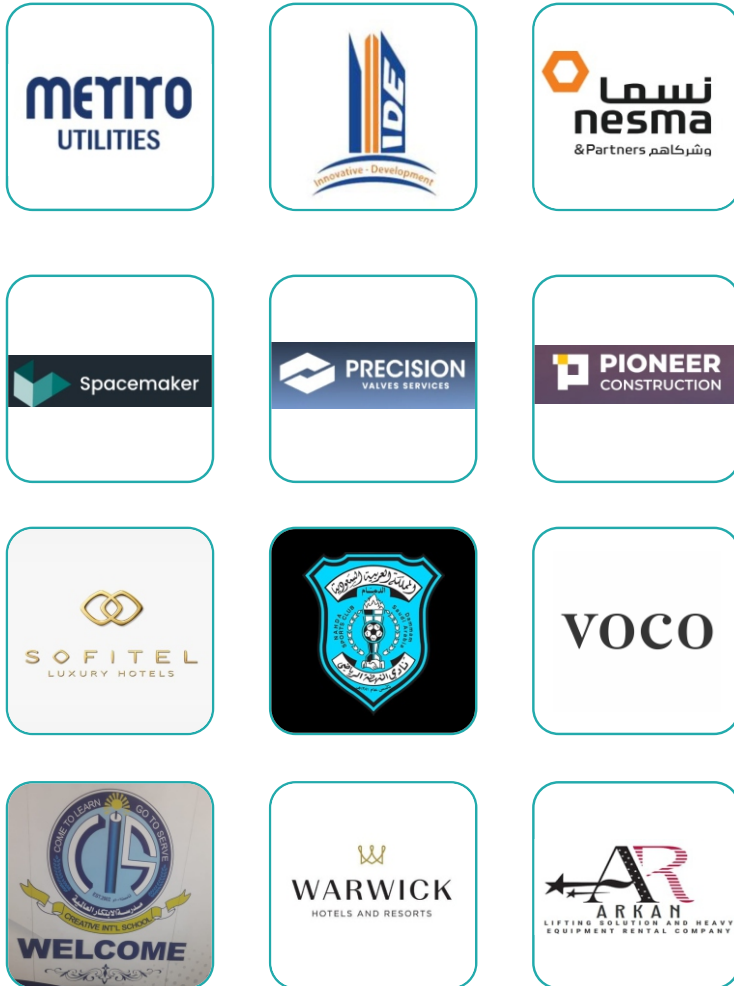

Transportation & Equipment Rental Services

We deliver safe, timely, and well-coordinated Transportation Services along with dependable Rental Equipment solutions. Our logistics and equipment support help businesses operate seamlessly and efficiently.

Our Valued Clients

We assure our clients measurable and optimal returns on their investments, supported by globally accepted business practices that meet international standards. As a professionally managed company, we have earned the trust and confidence of our clients, leading to long-term and reliable business relationships.

Our regular clientele includes several reputed organizations, representing diverse industries and sectors. A few of these valued clients belong to the following fields:

Maintenance & Engineering Services

We specialize in delivering comprehensive Maintenance & Engineering Services that go beyond routine cleaning. Our focus is on achieving the highest standards of hygiene, sanitation, and operational efficiency. By utilizing advanced cleaning machinery and deploying professionally trained manpower, we provide end-to-end solutions in accordance with well-defined Standard Operating Procedures (SOPs).

We strictly adhere to agreed Service Level Agreements (SLAs) and continuously train our workforce to stay updated with the latest industry practices and safety standards. We use branded chemicals and eco-friendly cleaning materials to ensure effective results while maintaining environmental responsibility and client satisfaction.

Our services include façade and glass cleaning for high-rise buildings using trained personnel equipped with proper safety gear. We also provide carpet and sofa shampooing, upholstery dry cleaning, and professional polishing services. Floor and surface cleaning for wood, stone, and marble is carried out using modern machines for grinding, polishing, and crystallization.

All operations are closely supervised by our management team and executed in line with defined Key Performance Indicators (KPIs) to ensure measurable quality, efficiency, and continuous improvement.

Transportation Services

Sara Aqab General Contracting proudly supports transportation projects with reliable, compliant, and on-time access to industrial and remote locations. Our well-maintained fleet ensures safe and comfortable travel for employees, contractors, and corporate teams, delivering smooth operations across every project. Along with transportation services, we provide flexible car rental solutions in Saudi Arabia, including Toyota Hilux rentals for both short- and long-term requirements. Whether clients need vehicles for daily use or extended project demands, we offer dependable options tailored to their needs. Operating across **Al Ahsa, Dammam, Dhahran, Jubail, Red Sea, Khobar, Qatif, Sharma, Tabuk, Jabal al-Lawz, Macca, and Jeddah**, Sara Aqab General Contracting remains committed to delivering efficient, adaptable, and customer-focused fleet services that meet evolving business challenges.

Equipment Rental Services

Our rental equipment fleet features the latest models from leading manufacturers, each maintained to the highest standards through a rigorous and proactive maintenance program. Designed to meet dynamic project requirements with maximum reliability, our machines are available at competitive monthly rental rates. We focus on providing clients with the exact equipment and support services they need — delivered where they need it and when they need it. Whether for short-term tasks or long-duration projects, our solutions ensure efficiency, safety, and smooth operations. Our fleet includes a wide range of heavy and light equipment, ensuring we can support diverse industry needs with dependable, high-quality machinery.

Thank You
We look forward to serving you
with excellence reliability,
and complete commitment.
